6 June 1960

Dear Ed:

Reference is made to your letter 9005-60-9C dated June 1, 1960.

Approval is granted to delay delivery of the Enhancement Viewer Spare Parts until the modifications and redelivery of the Viewer itself are accomplished.

Very truly yours,

SIGNED Dan

Dear Jim:

With reference to Item II, Amendment 5 to BB-300, spare parts for Image Enhancement Viewer, it is requested that delivery date on these spares be changed to after the modification of the viewer, the reason being that changes in the spares are anticipated.

A revised list of spares will be submitted after the modification has been made.

Very truly yours,

25X1A
